## Principal's Message

Dear Wildcat Families,

I hope you all had a nice week off, although the weather was not very sunny, we are seeing the beautiful sun shining now. We are back in the swing of things this week and it will be summer before you know it. State testing for grades 3-6 is right around the corner. We will be administering the CAASPP (California Assessment of Student Performance and Progress) during the month of May. This year, our students in grades 3-6 have had multiple computerized CUSD benchmark tests in ELA and Math, as a way to allow our students to gain experience and familiarize themselves with computerized assessments. The results from these assessments will be used to assist in identifying students needing intervention, enrichment and as a measure for students to qualify for GATE. Kindergarten-2nd grade will also be taking year-end assessments in May as well. Please have your child at school, on time, each day to help this time be a smooth process for your child. If you have any questions, please contact your child's teacher.

Julie Duwe  
 Principal

## Educational Placement Forms for 2017-2018

Educational Placement forms are designed to provide parents with the opportunity to express specific academic, developmental and behavioral needs that you may find helpful to your child for the upcoming school year. Forms are available in the main office. Please see Mrs. Valentino in the office and return the form by **Friday, May 12th. This is NOT a teacher request form.**

### ARRIVAL & DISMISSAL TIMES

Supervision begins on campus at 7:55am for students in grades 1-6, therefore students who do not ride the bus and those who are not enrolled in Campus Club are not to be on campus before 7:55am. For the safety and well-being of our students, you must adhere to this policy.

Please communicate each day to your child how they are getting home, taking the bus, going to Campus Club, who is picking them up and where on campus they should meet. We make every effort to relay messages but clear communication from home is always best.

All students MUST go directly home at the end of each school day unless they are directly involved in an after school activity. Siblings are NOT ALLOWED to wait at school for siblings who may be involved in an after school activity. All sports conclude @ 4:15pm and students need to be picked up promptly at that time.
