<p>Dear Wildcat Families,</p> <p>The season of giving started early this year for the Wildcats. I am proud to say that we collected MANY items for the families devastated by Hurricane Harvey. To be specific, we collected 22 packages of socks, 16 packages of undergarments, 35 outfits, 2 pairs of new shoes, various toiletry items, many school supplies, 8 uniforms and over \$1,000 in gift cards to support the rebuilding efforts. Additionally there were used clothing items and shoes that were sent via the school bus that was packed of items from the CUSD community at large. The principal’s from these two schools were overwhelmed by our generosity. We use these opportunities as lessons for our students in thinking outside of themselves. Thank you again for your donations.</p> <p>This coming week we have our BIGGEST fundraiser of the year. We hope that all our families will join us in celebration at our VOPC carnival this coming Friday evening, October 13th 4-8PM. Our parent club members, room parents and others have worked many hours in planning this fun event. Due to it taking place on Friday, there will be a bit of change in pick-up on Friday afternoon. If you normally pick up your child in the Sherman pull through, please plan to make alternative arrangements, as we will have this lot blocked off for our food trucks. We plan to have the Sherman cul-de-sac act as the pull through that afternoon. Thank you for your patience with this.</p> <p>Julie Duwe Principal</p>	<p align="center">DI Team Manager Orientation Meeting</p>
<p align="center">VOPC</p>	<p>Destination Imagination is an international creative problem solving program open to all K-6 students here at Valley Oak. In DI, small teams of seven students work together to solve a problem given to them by the organization and present their solutions at a regional competition on February 10th. Each team needs an adult team manager that is able to arrange and supervise team practices. Practices are scheduled by the team manager and can take place at any time and at any place the manager chooses. Most teams will need to meet for about 1 hour once a week until January, when more time may be needed to polish the team’s solution. Students are selected for the teams entirely by the team manager. If you are interested in managing a team or would like more information about DI please attend the Destination Imagination Team Manager Orientation meeting on October 10th from 3:30-4:00 in room 5 or contact Mr. Bonetto at MauriceBonetto@cusd.com. You can read about DI at www.IDODI.com. The number of students able to participate in this program is limited by the number of team managers willing to volunteer. Thank you .Mr. Bonetto</p>

We will be wrapping baskets and items that will be on display for our Silent Auction during Carnival.</p> <p>Our next General Parent Club meeting will be Friday, October 13th at 8:30am in the MPR. Little ones are welcome and refreshments will be served. This will be the morning of Carnival so please come join us!</p> <p>And a huge thank you to all of our Wildcat families who have used their e-Script fundraising cards. We have raised over \$900 and those funds go directly back to our school!</p>	<p>Open Enrollment forms for the 2018-2019 school year may be picked up and/or submitted in the Valley Oak office or at the Student Services and School Attendance office until November 1, 2017.
