<p style="text-align: center;"><b>Principal's Message</b></p> <p>We enjoyed seeing our students return this week and enjoyed the much-needed break from the rain. Although it may be wet this weekend, we should have sunny weather again next week. Of course, will all this beautiful weather and the sense that summer is near, our students start to get a bit antsy. This week we spoke about staying the course and finishing the year strong, your support from the home front is much appreciated in encouraging your child to work hard each day until the very last day.</p> <p>Friday, April 13th we will be celebrating and recognizing Autism Awareness Month. Our student body is amazing in accepting differences of others on our campus. We currently have three preschool/kindergarten programs of children with autism. Many of our students have been involved in the peer buddy program with these special programs and have learned that children with autism are just like them in that they want to play, learn and have friends. It is an amazing experience to watch our student body work with our students with special needs. It is an experience that will impact them for a lifetime.</p> <p>Julie Duwe Principal</p>	<p style="text-align: center;"><b>April is Autism Awareness Month</b></p> <p>In support of individuals with Autism, Valley Oak will hold its annual BLUE OUT day on April 13<sup>th</sup>. Students are welcome to dress from head-to-toe blue (hair, jewelry, clothes, shoes, etc.)! Valley Oak loves to show its appreciation and awareness for ALL of our unique Wildcats!</p>
