Principal's Message								
<p>Dear Wildcat Families,</p> <p>In the spirit of giving, we so appreciate the donations we have received thus far for the two schools we have adopted in the Houston area. These schools were amongst those listed in the "Principals helping Principals" call for donations. The exciting part is I have been able to communicate directly with these schools and all donations will be sent directly to them. We are taking this opportunity to teach our students to think outside of themselves and how they can help others in need. Please return all donations to the main office by Friday, September 22nd. We so appreciate the generosity of our community. Thank you to those of you who were able to attend our VOPC back to school social. Our school is a very unique place. We are small, so it is fun to really get to know our families. Please feel free to get involved however you can this year. The more you get involved, the more you get out of being a Wildcat Family.</p> <p>Julie Duwe Principal</p>								
Open Enrollment Transfers								
<p>Open Enrollment forms for the 2018-2019 school year may be picked up and/or submitted in the Valley Oak office or at the Student Services and School Attendance office until November 1, 2017. Students currently on Intra-district transfers are required to apply for Open Enrollment to continue enrollment in their current school of choice. Intra-district transfers are valid for only 1 year only and may not be renewed due to Board Policy #2209. Open Enrollment applications are available for Clovis Unified residents only. If you have recently moved out of the Valley Oak boundary area, you must apply for an Intra-district transfer to remain at Valley Oak for the remainder of the year.</p>
