When to keep your child home

When should I keep my child home? If your child is ill, please keep them home from school. This will help keep our school a healthier place for everyone! As a parent, it's often difficult to determine whether your child should be kept home or sent to school. The following are some guidelines provided by our school nurse to help make the decision a little easier!

It's best to keep you child home if he or she:

- Has a fever of 100 degrees or higher. Please keep your child home until the fever has been gone for 24 hours and without the use of medication.
- Has vomited in the last 24 hours.
- Has excessive tiredness or lack of appetite due to illness.
- Has a productive cough, sneezing or congestion w/a green runny nose.
- Has a headache, body aches or earache.
- Has a sore throat, particularly if accompanied by headache and/or upset stomach.

Reminder: All absences *must* be cleared with the front office.
