Principal's Message

Dear Wildcat Families,

I want to wish you all a very happy holiday season. I hope you have a moment to slow down and enjoy your families. I know that I am looking forward to sitting on my new couch and watching movies. ☺ Having three daughters myself, I know it takes a village to raise our children. We are privileged to be a part of your families and enriching your children's' lives. I look forward to seeing you all in the New Year, beginning Tuesday, January 8th.

With Wildcat Pride,

Julie Duwe
Principal

Coats for Kids

Thank you for your generous donations of Coats for Kids. We participated in the annual 93.7 KISS Country coat-a-thon. We found out this week, Valley Oak won the contest for the school that brought in the MOST coats. Our entire student body will receive a voucher for two free tickets to a Grizzlies home game. Thank you again for participating in this worthy cause!

When to keep your child home

When should I keep my child home? If your child is ill, please keep them home from school. This will help keep our school a healthier place for everyone! As a parent, it's often difficult to determine whether your child should be kept home or sent to school. The following are some guidelines provided by our school nurse to help make the decision a little easier!

It's best to keep your child home if he or she:

- Has a fever of 100 degrees or higher. Please keep your child home until the fever has been gone for 24 hours and without the use of medication.
- Has vomited in the last 24 hours.
- Has excessive tiredness or lack of appetite due to illness.
- Has a productive cough, sneezing or congestion with a green runny nose.
- Has a headache, body aches or earache.
- Has a sore throat, particularly if accompanied by headache and/or upset stomach.

Reminder: All absences *must* be cleared with the front office.
