<p><b>Principal's Message</b> Dear Valley Oak Families,</p> <p>Well, the time has finally come for me to write my final Valley Oak principal's message. 😞 The past two months have been a mixture of joy and sorrow as things have come to a close for me at Valley Oak. I cannot express enough how much Valley Oak has meant to me both professionally and personally for the past 16 years. I have been fortunate to work with the most amazing educators, students, and families. I have been a parent here myself with my three daughters and have lived in the community for almost 20 years. I LOVE Valley Oak and that will never change! One of the things I am excited to be is a Valley Oak mom for the next two years, as my youngest finishes her elementary school days. And the BEST part of all is I will see you later, in junior high school. Kastner is a fabulous school, and I will be excited to welcome my former Wildcats soon enough. Have a wonderful summer and enjoy your family time together! With ENORMOUS Wildcat Pride,</p> <p>Julie Duwe Principal</p>				<p><b>Math Cats</b></p> <p><b>Rm. 1</b>                      <b>Rm. 13</b> Charlie H.                      Ford M. Ella Z. Iris M.
