Principal's Message Dear Wildcat Families, This week was a tough one. Calling all our students that were going to be able to start next week, only to turn around and tell them no the following day. 😞 I know these constant and sudden changes are hard on everyone and definitely not fair. I too had a tough day this week but chose to wake up and make the next day better. That is what we call Perseverance! Perseverance is our character strength this week. The Positivity Project came during a year we never knew we were going to experience. I hope your child has shared a story or two or something they have learned through these lessons. I invite you to explore more at https://posproject.org/p2-for-families/ (password P2). We ALL could use more positivity in our lives right now. You may find a family activity you can share together. I wish you all a wonderful weekend and we will "see" you as we start our new semester on Tuesday!
