The Great Kindness Challenge Week!

The Great Kindness Challenge is a proactive and positive SEL-focused bullying prevention program that improves school climate and increases student engagement. The Great Kindness Challenge - School Edition is one week devoted to performing as many acts of kindness as possible on campus and virtually. Students accept the challenge and show the world that KINDNESS MATTERS! January 25th-29th is the official Great Kindness Challenge Week. We will be celebrating in class and online. Please share with your teacher anything you do this week to meet the challenge of being kind.
