## Principal's Message

Dear Wildcat Families,

As you have probably heard in recent days, the CDC has allowed schools to decrease the distance between students coming in-person from six feet to three feet. This is great news! In January, I told you that we would not have any schedule changes unless we could increase our in-person time. Now is that time!

Beginning Tuesday, April 6<sup>th</sup>, students who are CURRENTLY attending in-person or planned to begin that date may begin coming Monday, Tuesday, Thursday AND Friday afternoons. The expectation is that ALL our in-person students ATTEND ALL FOUR DAYS. I do realize there may be a few situations where this is a hard ship for your family. I ask that you communicate with your child's teacher so they understand the situation. We will continue to maintain the same schedule with just a few slight changes. All students will Zoom in the AM and then attend in-person in the PM. If you are a Clovis Connect online only family and would now like your child to attend in person, please contact Mrs. Duwe or Mrs. Wicks to see if that is possible, space permitting.

Reminder that this information pertains to grades 1-6 only, TK/K students will remain on the same schedule they have been on since coming in-person. Wednesday will continue to be a Zoom only day. The last week of school schedule will NOT include any Zoom class, as we will be collecting all school issued devices. The schedule for May 31<sup>st</sup>- June 4<sup>th</sup> will be communicated as soon as we finish making plans.

Enjoy your spring break and see you on Tuesday, April 6<sup>th</sup>.

Julie Duwe  
Principal
