## Principal's Message

Dear Wildcat Families,

It has sooooo long since I had the opportunity to send my principal's message. We decided that as things are popping on the calendar, we would send our Wildcat Weekly each week. Of course, it is still rather blank but wanted you to know of a few things.

Monday and Tuesday, Larson Brothers will be taking our yearbook school pictures. This will take place in the MPR (multi-purpose room) 3:00-7:30. We ask that you adhere to the social distancing guidelines. You can order pictures online; the information is included in this email. You do NOT have to order pictures to have your picture taken for the yearbook. Yes, we still plan on having a yearbook!

You will also notice that we have included the lunch menu. Each morning 7:00-9:00AM parents may pick up lunches for their children ages 1-18. Your children do NOT need to be present with you. **The breakfast and lunches are FREE to all families** through the federal lunch program. I will say that my own children have enjoyed a little taste of normalcy in these lunches. Clovis West is the school closest to most of our families. They are distributing them out of the back parking lot, off of Cole Ave, near the baseball diamond. It's a quick drive through process and welcome anyone to in CUSD.

In the coming days and weeks, you will be hearing of the CUSD plans for reopening. At this time, we are looking at returning in some form of a hybrid model. Parents will receive a survey soon with a description of the options available to our students. At that time parents will be choosing what they feel would be best for their child. It is VERY important that parents complete these surveys as we will need this information to make staffing arrangements.

We look forward to seeing our students and families soon. Take care everyone!

With Wildcat Pride,

Julie Duwe  
Principal
