Principal's Message Dear Wildcat Families, This week has been amazing! Thank you to ALL our families, both in person and online as we navigate the new hybrid schedule. While I know it hasn't been perfect, please know the teachers are very diligent in tweaking their plans to better meet all our students' needs. For those of you coming to campus, thank you for your patience in getting through our temp check stations. Each day seems to be more efficient and we appreciate your patience. Students knowing where to go after school each day is very helpful. Thank you for sticking with us as we adjust through these unprecedented times.
